

Waukesha County YOUTH FISHING PROJECT

Youth will learn about fish habitat and conservation. They will improve their fishing skills, while practicing good sportsmanship participating in fishing events.

2022 Club meeting dates:

Mondays 5:30-8:00 pm

Muskego County Park- May 16

Fox Brook County Park- May 23

Menomonee County Park- June 6

Minooka County Park- June 27

Waukesha County Park System participates in the Urban Fishing Program, which is a cooperative effort with the Wisconsin Department of Natural Resources. We currently have four ponds that are designated as urban fishing waters by the Wisconsin DNR. This cooperative makes fishing opportunities more readily available and encourages more people, especially youngsters, to go fishing. With the urban fishing designation, WI DNR stocks the ponds with fish. Park Stickers or entry fee required.
